Recovery.

About E-Hasiru

E-Hasiru is a Bengaluru-based, R2v3-certified e-waste recycling company (estd. 2014) delivering end-to-end IT asset disposal (ITAD) and secure data destruction across India.

We partner with IT teams, procurement heads, and compliance officers to ensure 100% secure, traceable, and regulation-compliant disposal of IT assets—while unlocking value through refurbishment and responsible recycling.

- ✦ Established in **2014**
- ✦ **100%** Secure
- ✦ **R2v3** Compliant

► Why Choose Us

A zero waste sustainable future. And we help enterprises securely dispose IT assets, protect sensitive data, and meet ESG goals—without operational hassle.

- ✦ *Secure*
- ✦ *Compliant*
- ✦ *Sustainable*
